

Used Walking Foot Industrial Machines

The Pfaff are all German manufactured and from the time period when the best Pfaff's were made.

40 Used Walking foot Industrial Sewing Machines

We have 40 used walking foot industrial machines available, 25 Pfaff mostly 545 and 1245 large bobbin, and 15 Consew 226R2, 206RB2, and 339RB2.

The Consew's are all made in Japan and from about the same time. All machines have 110 volt motors, nice tables, and reverse stitching.

Also there are a limited amount of cylinder arm and double needle for sale.

Pricing from \$600.00 and up includes a 90 day service warranty.

These machines sold new from \$1,600.00 to \$2,500.00 and are being offered at a fraction of their replacement cost.
